Freelance Project

Freelance Frontend Developer • WFH

09/2022 - 09/2022

Facility and Equipment Lending System

- Utilized React.js for App Development
- Created responsive frontend layouts, and components adhering to modern design concepts.
- Technologies used: **React.js, Typescript, React Query**

Freelance Project

Freelance Frontend Developer • WFH

05/2022 - 08/2022

Attendance Monitoring System

- Utilized React.js for App Development
- Created responsive frontend layouts, and components adhering to modern design concepts.
- Technologies used: **React.js, Typescript, React Query**

Freelance Project

Freelance Full Stack Developer • WFH

04/2022 - 08/2022

Gym Management System

- Utilized Laravel Framework for App Development
- Created responsive frontend layouts adhering to modern design concepts.
- Technologies used: **Laravel, Bootstrap, SQL, Heroku**

Stack Educational Technologies

Frontend Developer • WFH

11/2019 - 11/2021

- I build web applications used for organization systems by incorporating various Javascript Frameworks.
- Worked in Agile-driven environment to effectively maintain project timelines and utilize available resources.
- Adhered to internal risk control and liability mitigation guidelines.
- Completed full redesigns of existing websites to improve navigation, and enhanced visuals.

I have worked on the following apps during my stay:

- A Finance System for Stack Educational technologies as a Frontend Developer.
- A Learning Management System for Stack Educational Technologies as a Frontend Developer and a Product manager.
- An Admission System for Stack Educational Technologies as a Frontend Developer.

Xavier School San Juan

Full Stack Web Developer • San Juan

11/2019 - 08/2020

- Developed the OLSAT Monitoring System, which helped the Xavier School San Juan TRC office automate and increased their workflow rate up to 80%, finishing their supposed to be monthly tasks in mere minutes.

Xavier School San Juan

Full Stack Web Developer • San Juan

05/2019 - 04/2020

- Developed the Dynamic Queueing System, which doubled Xavier School San Juan's catering by organizing a systematic and organized flow for enrollees in 2019.

Xavier School San Juan

Book Staff • San Juan

02/2019 - 04/2019

- Worked with books for inventory tasks

Hard Skills

- Programming Languages: JavaScript (Advanced), PHP (Intermediate), SQL (Intermediate), Basic knowledge in C#, C++, MongoDB, Python
 - Frameworks and Libraries: React.js (Advanced), Typescript (Intermediate), Laravel (Intermediate), Basic knowledge in Express.js, Node.js
 - Quality Assurance: Robot Framework (Advanced), Selenium Library (Intermediate), Browser Library (Advanced)
 - Software: Adobe Photoshop (Advanced), Blackmagic Design DaVinci Resolve, Adobe XD, Markdown and Design, Figma
 - Deployment Solutions: Git (Advanced), GitHub (Advanced), GitLab (Advanced), Jenkins (Intermediate), Basic Knowledge in Bitbucket and Heroku
-

Soft Skills

- Attention to Detail
 - Problem-Solving
 - Analytical Thinking
 - Communication
 - Adaptability
 - Time Management
 - Collaboration
 - Critical Thinking
 - Creativity
 - Patience and Perseverance
 - Proofreading
 - Self Awareness
 - Efficiency
 - Entry Management
 - Work Life Balance
-

Education

Polytechnic University of the Philippines

Bachelor of Computer Science, Computer Engineering • Manila,

09/2023

College

- Participated in various workshops:
 - PHP
 - Linux & Ethical Hacking
 - Cryptocurrency
 - Information Security
 - UI/UX Design

STI College - Ortigas-Cainta

Mobile and Web Programming • Cainta,

03/2018

Senior High School

- Graduated with Highest Honors
- Member of Developers of Next Advanced Technologies
- Receptient of BCE Scholarship
- Thesis: BAYANI (Available in Playstore)
- Gained Proficiency with Basic Programming Languages

Manggahan High School

ICT • Pasig,

03/2016

Junior High School

- Graduated with High Honors
 - Gained Proficiency with Photoshop
-

Accomplishments

- Developed a game entitled "BAYANI" which won Best 2D game, Best Educational Game, Best Game overall at STI Ortigas-Cainta 2018 SHS Expo.
